

AUGUST 2011 BOXWOOD NEWS

Pool season is winding down. It will be closing this year around September 11th. A notice will be sent out with the actual date as we get closer to it.

Thanks to Scot McCarthy, Lu Ella Brashier, and David & Caroline Corry for helping me with our **Adopt-a-Street** cleaning. The next cleaning will be in October. We'd love to have some new volunteers so the same people aren't cleaning each time.

As we are approaching that political time of year we've been asked to remind everyone of the neighborhood restrictions as relate to signs. **Political signs** can be put in windows, but not yards.

No signs (except "For Sale" signs five square feet or less) or billboards shall be erected on any Lot unless approved in advance by the Developer or the Architectural Review Committee whichever is applicable.

Since we have welcomed a few new residents and hope to welcome a few more soon with all the houses that remain on the market, I will be working on **updating the directory**. Please review the attached most up to date version and email me any corrections. I'd like to be able to list children (if they are part of the household) with their year of birth (instead of age, since that would need to be changed each year). Also if there are any potential babysitters in your household, please make note of their name and I will highlight them in the directory.

I am also going to be gathering business cards for those residents who are interested in posting them on our community bulletin board. These would not be endorsed specifically by the board or the neighborhood, but would serve as a resource. If you'd like to, please put your card in an envelope and stick it in my mailbox (162 Marguerite).

Here's to a Great 2011-2012 School Year!
